

Simply Tidy LLC wants to thank the teachers and education professionals who are working so hard to organize & teach distance learning during this difficult time. They are true heroes!

To show our appreciation we are offering free home cleanings for teachers & education professionals!

You can help us by nominating a teacher & donating!

How it works:

Call, email or text us your nomination or that you'd like to donate.

We will call your nomination so they can select a safe date to get their home cleaned, we will send them a card telling them that they were nominated to receive a free home cleaning and who nominated them.

Don't know a teacher personally but want to donate? We can help! Let us know your school district and we will put your donation toward a cleaning for a teacher that was nominated!

The fine print:

We do have a 40 mile limit from Dodge Center.

The free clean coupon expires 1/1/22

If the recipient declines their cleaning they may nominate another education professional to receive the clean.

Nomination must be an education professional.

Education professional includes: teachers, education assistants, paraprofessionals principals, lunch ladies, school therapist, speech pathologist, education coordinator.

If you know of a medical professional you'd like to nominate & donate for a free home cleaning those are also welcome.
